

New Jersey Turnpike Authority

Memorandum

DATE: December 2, 2024

TO: Donna Wilser, Deputy Executive Director

FROM: James C. Russo *JCR*

SUBJECT: Approval for Toastmasters Membership Reimbursement

I am writing to request approval for reimbursing Toastmasters International membership fees, effective 2024 calendar year and going forward. The NJTA Toastmasters Club provides a unique opportunity to enhance communication and leadership skills among our employees, with minimal cost to the Authority and significant positive benefits.

Proposed Accountability and Guidelines

To ensure accountability and maximize value:

1. The NJTA Toastmasters Club is governed by a **Local Board** that actively monitors member participation.
2. **Reimbursement Eligibility:**
 - Members must demonstrate **active participation** in club activities and the Toastmasters public speaking curriculum.
 - Members failing to meet participation requirements will be deemed ineligible for reimbursement.

Projected Costs

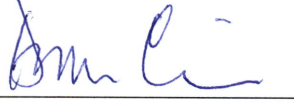

Based on an estimated membership of 30 participants, per member reimbursement max to include the one-time fee of \$20 for new members and bi-annual dues of \$60. Total projected costs \$4200.00

Toastmasters has a proven track record of improving public speaking, communication, and leadership skills, all of which directly support NJTA's mission and professional development goals.

Thank you for your consideration of this request. Please let me know if additional details are needed.

Sincerely,
James C. Russo

Approved

 12/5/24
